INDIVIDUAL PROFILE

DATE: 4/29/2016

PS is a spunky 73 year old female. She loves doing crafts and going out in the community. PS is looking for a provider that can provide supports in the community to do the things she enjoys. It is important for PS to have consistent staff on a weekly basis. PS knows many people in the community and loves being social. Due to mobility needs, PS will need a wheelchair accessible vehicle or provider can ride KAT with her.
